## **Men's and Women's Rugby Teams Receive Grant Sponsored by National Guard Dayton Ohio, March 10, 2008**

### **UD Rugby Alumni Association helps teams receive grants**

The University of Dayton Men's and Women's Rugby Clubs will be the recipients of a Complete Kit Courtesy of a grant from the USA Rugby, The National Guard, WorldRugbyShop.Com and KooGa Rugby.

A special thanks to one of our attentive alumni Jason Maloni, '92, and Kevin Foley. Jason provided Kevin a lead regarding a grant program from the aforementioned organizations and administered by USA Rugby. Kevin reached out to Dave Ostrander director of club sports and walked him through the opportunity. Through this partnership between the Alumni Association & the University Club Sports Department the teams will be the recipients of the National Guard sponsorship. This is just one example of how UDRFCAA is fostering positive collaborative relationships with the University and bettering the teams in the process. Look at all the great gear the teams will receive with a value in the thousands of dollars!
